P.O. Box 643, Sidney, Ohio 45365

Dan Cecil, Chairman

200-Club Membership Drive (January 20, 2025)

Hello Shelby County Patriots,

Today (Inauguration Day) was an amazing day for the United States of America! It marks the culmination of a tremendous amount of work by freedom-loving, America-first patriots from all across Shelby County, our state, and our nation. More importantly, it marks the start of four amazing years of conservative progress.

You should be proud of the performance of your elected representatives on the Shelby County Republican Central Committee (roster attached). They did a tremendous job of educating our voters and getting out the vote in Shelby County. The old adage that "all politics is local" really resonates with us. We all like to focus on state and national politics, but we are committed to focusing equal or greater attention right here at home, to include preparing future generations of conservatives to serve well for decades to come.

We are looking for more America-first conservatives to appoint to our vacant leadership positions. If you, or someone you know, lives in one of those precincts, and you love your country like we do, then we'd love to talk to you. Please contact Jim Liggett and he will schedule a time for some of us to sit down and talk to you about it. We will be working hard to maximize MAGA impacts right here at home!

Our annual Lincoln Day Dinner is scheduled for the evening of March 20th at the Shelby Oaks Golf Club and Ohio's Attorney General Dave Yost will be our keynote speaker, so please put that on your calendar right away. In keeping with our desire to prepare future generations of conservatives to lead at all levels of government and in the private sector, we are working on some special guests to advance that cause.

The 200-Club is the primary fundraising tool we have long used to fund the operations of the Shelby County Republican Central Committee. For several years (initiated by COVID meeting restrictions) we raffled off some of our 200-Club cash at our annual Lincoln Day Dinner in lieu of having another event later in the year. We feel the money will now be much better used to hold more events like the wildly successful "Meet the Candidates Night" we had at Shelby Oaks last September.

Please consider donating \$200 (or more) to join our 200-Club for 2025 so we will have the funds we need to continue to serve Shelby County Republicans. This is your best opportunity to invest locally in a conservative future for our county, our state, and our nation. May God Bless you and may God Bless the USA!

Respectfully,

Dan Cecil
